Since theological ethics is so diffuse today, since practitioners and scholars are caught up in their own specific cultures, and since their interlocutors tend to be in other disciplines, there is the need for an international exchange of ideas in Catholic theological ethics.

_Catholic Theological Ethics in the World Church_ (CTEWC) recognizes the need: to appreciate the challenge of pluralism; to dialogue from and beyond local culture; and, to interconnect within a world church not dominated solely by a northern paradigm. In this light, CTEWC is undertaking four areas of activity: fostering new scholars in theological ethics, sponsoring regional conferencing, supporting the exchange of ideas via our web site (catholicethics.com), and publishing a book series.

The book series will pursue critical and emerging issues in theological ethics. It will proceed in a manner that reflects local cultures and engages in cross-cultural, interdisciplinary conversations motivated by mercy and care and shaped by shared visions of hope.
Founded in 1970, Orbis Books endeavors to publish works that enlighten the mind, nourish the spirit, and challenge the conscience. The publishing arm of the Maryknoll Fathers and Brothers, Orbis seeks to explore the global dimensions of the Christian faith and mission, to invite dialogue with diverse cultures and religious traditions, and to serve the cause of reconciliation and peace. The books published reflect the views of their authors and do not represent the official position of the Maryknoll Society.
